

Rotary Foundation Reports – District Level

When needing to get Rotary Foundation reports, a current district officer (DG, DRFC, etc.) should first make sure to have an account in My Rotary.

If that has been established, finding the reports is a relatively easy process.

One needs to go to **My Rotary**, then **Rotary Foundation**. While only hovering on The Rotary Foundation link, one will see a menu dropping down, where one can select **Foundation Reports**.

Once there, one can scroll down the page until getting to **Contributions & Recognitions**.

The reports there detail all of the club reports and the district reports available to a district officer. **Please note that not everyone will have access to the same reports.**

A district officer will be able to view the club reports and the district reports. A club, on the other hand, will only be able to view the club's reports. And an individual Rotarian will only be able to see personal reports.

Once someone clicks on "view reports", the following page will appear, where people will be able to select the report they wish to view:

Club Recognition Summary

The most popular report in the Club Reports section there is the **Club Recognition Summary (CRS)**, where one can find the list of members who have received Paul Harris Fellows, as well as the amount of points in each club (Foundation Recognition Pts Available). Kindly note that the date you will see next to a PHF will be the date of the first PHF received.

All of the clubs will be shown in alphabetical order, and will show what has been contributed (either individually or by the club itself) to the Annual Fund, the Endowment Fund, or other funds. The other funds include Polio and Rotary grants.

The report also shows the goal a club may have entered in My Rotary, as well as the Annual Fund per capita contributions along with the number of members in the club. Finally, it shows the total contribution for the month and contributions that have been made throughout the Rotary year (YTD – “year to date”).
