**WEAR A CROCUS**  
**GLOBAL CAMPAIGN**  
**END POLIO NOW**

**WEAR A CROCUS AND END POLIO NOW**

The Rotary Crocus is one of the leading international fundraisers for the End Polio Now Campaign. Since 2012 Rotary Crocuses have raised around £1,250,000 and been distributed in 16 countries. They are an easy way for every Club to reach out to your wider community to raise funds and awareness for End Polio Now. At the same time they help to raise the public profile of Rotary.

**HOW THEY WORK**

Fabric crocus buttonholes are offered to members of the public in return for a donation. When donors wear their Crocuses they become walking adverts.

Each Crocus comes on an information card which tells the story of the eradication programme and Rotary's pivotal role in it. It provides the wearer with the answer to the question 'that's a nice flower, what's it for?'

The Crocus was chosen as the purple colour matched the dye painted on the fingers of children who have been immunised.

Thank you for wearing this crocus and helping to End Polio Now

Every Donation of US\$1 = US\$3 for End Polio Now

Thanks to the Bill & Melinda Gates Foundation
